

GLENDALE BEAUTIFUL

A NON-PROFIT PUBLIC BENEFIT CORPORATION

Arbor Day 2015

Tuesday, March 3, 2015
Casa Adobe de San Rafael Park
1330 Dorothy Drive, Glendale

Glendale Beautiful cordially invites you to participate in our annual observance of Arbor Day.

Arbor Day presents the opportunity for the community to be a part of the planting of trees to beautify our City. There is no nicer tribute than to donate a tree in recognition of a special person. Trees make lasting memorials.

Join us in this community-wide effort by contributing to the purchase of a tree! Trees in fifteen gallon cans are \$45.00. Larger specimen trees are available on request at additional prices. This year's trees may be located in available parks and library areas. Special requests for other locations will be evaluated on availability of space for additional trees.

Thank you for your participation in the Arbor Day Program. At the brief ceremony at Casa Adobe Park on Arbor Day, donors will be presented with a certificate. We look forward to greeting you.
